

Volunteers Needed!!!

The New Haven Ballet has had many wonderful performances over the years. Many people behind the scenes are parent volunteers that do a terrific job and we are very grateful for all their help. With the school performances and Discover Dance right around the corner, we are again reaching out to all our parents to volunteer (no experience needed!).

Thanks for all your help in advance. I have outlined some of the jobs that we need help with.

Check-in Runners: Escort the dancers to the proper dressing rooms during check-in times.

Dressing Room Helpers: Parents to supervise the dancers in their dressing rooms prior to their performances. Aid the dancers with costumes, or hair if needed. Tidy rooms up when finished. (Although we will make every effort to assign you to your child’s group, it is not always possible to do.)

Runners: Runners aid in getting the dancers backstage prior to their dance numbers, and back to the dressing rooms afterward. We need 4 people in this position for each performance. Runners need to wear dark colored clothes.

House Helpers: To assist and supervise the dancers sitting in the mezzanine section during the performances. We need 2 people in this position per performance on Friday morning, Friday evening, Saturday afternoon and Saturday evening.

Wardrobe Helpers: To assist in costumes repairs, sorting costumes into dressing rooms, and collecting costumes at the end of each show. *We also need parents to bring home costumes at the end of the performances and return them to the ballet studio during the following week. *
