

Spring Performance and Discover Dance Production Week Rehearsal Schedule

Please note: if you are in more than one piece, you must remain in the theater until you are completely done; you may not leave the theater and return.

While we do our best to stay on schedule, certain pieces may take a little extra time on stage. We want our children to look their best! So please be flexible as to departure times during rehearsals.

All dancers must check in and out at the stage door to the right of the theater's main entrance and executive offices
